Olena Boichenko

Gatineau, Québec J8Y 2N4 | 819-431-4036 | ol.boichenko.dev@gmail.com

Professional Summary

- I am an experienced Web Developer with a strong background in JavaScript, React, HTML, CSS, and Bootstrap, consistently delivering high-quality web applications.
- I am proficient in Redux and Node.js, with a focus on crafting responsive interfaces using CSS Flexbox and Grid, and creating visually appealing animations with GSAP and Three.js.
- I am committed to continuous learning and personal growth, staying updated with new technologies to develop intuitive and high-performance user interfaces.

Work Experience

WEB DEVELOPER | 04/2021 - Current
Freelance

- Developed dynamic and responsive web applications using JavaScript, React, Redux, and Node.js.
- Designed and implemented user-friendly interfaces with HTML, CSS, and Bootstrap, ensuring cross-browser compatibility and accessibility.
- Enhanced website interactivity and user engagement by integrating animations and optimizing UI/UX design.
- Utilized APIs to integrate third-party services, improving data synchronization and overall application performance.
- Collaborated with clients to understand their needs and deliver customized web solutions that align with their business goals.
